Dear Parents/Carers,

As you are probably aware, the Education Minister has announced revised plans for the re-opening of schools next week.

We had planned to re-open on Tuesday 5th January, this has now changed. We have been guided to use the first scheduled day of term to plan for both supervised learning in school and remote learning at home.

Supervised learning in school will be for children of key workers and vulnerable children. These pupils can attend school on Wednesday 6th, Thursday 7th and Friday 8th January. Children will be provided with a meal / packed lunch on those days.

All other children should return to school on Monday 11th January when normal face to face teaching will resume.

Please contact the school to register as a key worker by

Telephone:: 02890242271 on Monday 4th January

Email: info@stpeters.belfast.ni.sch.uk

or click the link: <http://bitly.ws/aVe5>

Please complete this by Monday 4th January at 3pm at the latest and ensure that you fulfil the criteria of 'key worker' as outlined by the Department of Education.

I apologise for the anxiety and inconvenience that this may cause but please know that the safety and well-being of your children are of paramount importance and we will keep you informed of any further changes.

I would like to wish you and your families good health and happiness in the New Year.

Kind Regards

Mrs Alexander
